**IMPORTANT INFORMATION FOR OUR PHS MEMBERS ALSO ENROLLED WITH
EVERCARE**

Dear Member:

This letter is to let you know that our agreement with Evercare will end on December 31, 2009.

PHS is pleased to announce that we have a new agreement with another Medicare Advantage Plan (MAP). The name of the plan is Bridgeway Health Solutions. Our agreement with Bridgeway takes effect January 1, 2010.

Bridgeway can provide you drug coverage and medical coverage using the same network of providers that you already have with PHS. This means using PHS transportation providers for medically necessary transportation too. In addition, Bridgeway's prescription formulary closely matches the formulary available through PHS.

We will work with Bridgeway to manage your Medicare and Medicaid (AHCCCS) services if who chose to enroll in Bridgeway.

Bridgeway Health Solutions will include the standard Medicare covered services plus these value added benefits:

- Transportation
- Dental Services – two routine exams, cleanings & fluoride treatments and yearly x-rays
- Denture Benefit - \$500 yearly toward denture purchase
- Vision Services – yearly routine exam with up to one pair of glasses or contacts
- NurseWise – health phone line available 24 hours a day 7 days a week
- Case Management – access to a nurse to assist in coordinating care
